Join the United Nations Association Edinburgh in the launch of our first International Peace Conference addressing 'Sustainable Peace: Rights, Reconciliation and Restoration'.

Key speakers include Mr Martin Polaine, Head of Human Rights and Criminal Justice at the London Centre of International Law and Sebastian Meyer, photojournalist and documentary filmmaker featured on media platforms from TIME to The Guardian.

Additionally an exhibition space will be open for the duration of the weekend offering alternative visual narratives, complemented by film screenings of William Williamson's *The Silent Conversation* and Amos Gitai's *Ana Arabia*.
